Regulations

1. The Scholarship will be known as the University of Auckland/Manurewa High School Business Academy Scholarship.
2. Up to three Scholarships will be awarded annually and will cover compulsory fees for the normal duration of the degree programme (see Regulation 6 and Notes II to III).
3. To be eligible for Scholarship consideration, an applicant must be i) a New Zealand Citizen or Permanent Resident (see Note IV), ii) currently enrolled in their final year at Manurewa High School, and iii) intending to enrol full-time in a Bachelor of Commerce (BCom) or Bachelor of Property (BProp) or associated conjoint programme at Waipapa Taumata Rau, University of Auckland in the following year.
4. The basis of selection will be academic ability based on results at Level 2 or higher in the National Certificate of Educational Achievement (NCEA) or an equivalent qualification and the potential to succeed in their chosen degree programme. In addition, the following may be taken into consideration in the selection process: recommendation of

the Principal of Manurewa High School and/or the Head of Manurewa High School Business Academy, evidence of school and/or community involvement and leadership as assessed by recommendations and a personal statement and performance in an interview (if required) (see Note V). Special consideration may be given to students who can demonstrate significant financial need as assessed by a personal statement and the criteria at Note VI. Short-listed applicants may be required to attend an interview.

5. The Scholarship will be awarded by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Associate Dean (Academic Programmes and International) of the University of Auckland Business School (or nominee), a senior academic or professional staff member of the University of Auckland Business School and the Head of the Manurewa High School Business Academy (or nominee).
6. The Scholarship will be paid as a tuition fees credit in each semester of enrolment (see Notes II to III). If the awardee's fees have already been covered by any fee paying scheme, scholarship or award, the value of the University of Auckland/Manurewa High School Business Academy Scholarship may be paid out in a lump sum in each semester of enrolment to assist the awardee with living costs (see Regulation 11 and Note I).
7. To take up the offer of the Scholarship, the awardees must achieve admission to the BCom, BProp or associated conjoint programme at the University of Auckland with an NCEA rank score of 200 (see Notes VII to X). However, it may be held concurrently with any other scholarship, award or grant as long as the regulations for that scholarship, award or grant permit and the University of Auckland Council is informed and approves. It is the responsibility of the awardee to declare to the Scholarships Office all other grant, award or scholarship funding received and for which the awardee receives payment while also in payment for this Scholarship.
9. The University of Auckland Council, in consultation with the donor, has the power to terminate or suspend a scholarship if it receives a report of unsatisfactory progress by a Scholar from Associate Dean (Academic Programmes and International) of the Business School.
10. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
11. Payments under the terms of this Scholarship remain tax-free as long as they are used directly for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying (see Note I). Failure to comply with this regulation will result in the termination of the Scholarship.
12. The University of Auckland Council, in consultation with the Business School, can amend or vary these regulations provided that there is no departure from the main purpose of the Scholarship.
