A warm welcome to Waipapa Taumata Rau University of Auckland

If you'll soon be finishing school, it's fair to say that you'll have a lot to think about. Deciding on your next move after school can seem a little overwhelming at first.

Professor Frank Bloomfield
Acting Vice-Chancellor, University of Auckland

In a world that is increasingly global in outlook and opportunity, we are here to help you boost your life and career prospects. A qualification from an internationally renowned university will bring you closer to achieving your goals.

Waipapa Taumata Rau | University of Auckland is New Zealand's leading university. Our degrees are respected internationally and our graduate employment rates are excellent in national and global workplaces. We offer an extremely wide variety of subjects and are continuously refreshing and innovating our undergraduate programmes to ensure they remain relevant for today's needs.

During your time here, you'll learn from outstanding teachers, many of whom are global leaders in their field. Many of our academics are also energetic entrepreneurs. You will be studying in a University that is recognised as the world leaders in sustainability against the United Nations' Sustainable Development Goals.

Our University is about more than just gaining a qualification. Our vibrant campus and Auckland City shine with opportunity. They offer a kaleidoscope of experiences that will help shape your future. Think about the thrill of living in New Zealand's biggest and most diverse city, the life-long friends you'll make, the clubs you'll join, the life skills you'll master, and the memories you'll cherish for years to come.

Success with us is just the beginning. We look forward to welcoming you in 2027.

Timeline for applying for the University of Auckland school-leaver scholarships and awards

We know that applying for scholarships and awards can feel overwhelming, so we have provided a timeline below to help you complete your application(s) by the closing date.

<p>20 May</p>	<ul style="list-style-type: none"> › <i>University of Auckland Top Achiever Scholarship</i> › <i>University of Auckland Māori Academic Excellence Scholarship</i> › <i>University of Auckland Pacific Academic Excellence Scholarship</i> › <i>University of Auckland Academic Potential Scholarship – School Leavers</i> › <i>University of Auckland Waka Moana Scholarship</i> › <i>University of Auckland Vaka Moana Scholarship</i> 	<p>Online applications open.</p> <p>Start thinking about what leadership experience, achievements in academic, sports or arts competitions, and examples of recognition within the community you can include in your application.</p> <p>Collate supporting evidence of your achievements such as certificates, letters and newspaper/school newsletter articles.</p> <p>Start completing your application.</p>
<p>July</p>	<p>Decide who you are going to ask to endorse your application.</p> <p>Confirm with them that they are happy to be your endorser and can complete this by the closing date. This involves providing them with evidence of your achievements so that they can be verified.</p> <p>Allow your endorser enough time to write you an endorsement.</p>	
<p>Early-August</p>	<p>Now is the time for you to follow up with your endorser to make sure it will be submitted by the closing date.</p> <p>Aim to submit your application(s) at least one week before the closing date. You will receive an automated email once your application has been submitted successfully.</p>	
<p>12 August</p>	<p>Applications close with the Scholarships Office at midday.</p>	
<p>Mid-August</p>	<p>Scholarships Office begins assessing applications.</p>	
<p>September</p>	<p>Applications are considered by a Selection Committee.</p>	
<p>Early October</p>	<p>You can expect to receive the outcome of your application in early October.</p> <p>This will be sent to the email address you used in your scholarship application.</p>	
<p>October</p>	<p>If you are selected for a scholarship, congratulations!</p> <p>You must accept this offer within two weeks.</p>	
<p>January</p>	<p>NCEA, CIE, IB results are released.</p> <p>Scholarships Office will check to make sure you have met the requirements for eligibility to take up the Scholarship.</p> <p>At this time, additional scholarships may be offered to applicants who were not successful in October.</p>	
<p>February</p>	<p>Scholarships Office will contact you with information on how your scholarship payments will commence.</p>	

Introduction

Why should I apply for a Scholarship and Accommodation?

Starting at the University of Auckland? You might be eligible for a scholarship—no matter your background or where you're from.

Each year, the University awards over \$99 million in scholarships, prizes, and awards across all levels of study, including more than 1,000 specifically for school-leavers.

Scholarships can make a big difference when you're starting university. Depending on what you're awarded, they can help cover things like accommodation, tuition fees, or other costs. This could mean a smaller student loan, less need for a part-time job, or even making it possible for you to study in the first place.

Who should apply for a scholarship?

You could be eligible for a school-leaver scholarship if you:

- › Are in your final year of secondary school or kura
- › Have demonstrated academic excellence at school, as well as participating in extracurricular and/or community activities
- › Are a high achieving Māori or Pacific student
- › Have shown academic achievement (taking into account a number of factors that may have affected your ability to participate at school or kura)

For some scholarships you will only be eligible if you are a New Zealand Citizen or Permanent Resident, or if you are an international student. You can find this information in the regulations for each scholarship.

School-leaver/first-year scholarships and awards

Scholarship name	Duration	Value per annum	Application closing date
All faculties			
Vice-Chancellor's Scholarship	2 years	1 year catered accommodation and \$10,000	No application required

We also have a wide range of scholarships from faculties and external donors. Some scholarships are for particular degree programmes, and some are for school-leavers from specific backgrounds. Our website has more details at auckland.ac.nz/schoolleavers.

Q. Can I apply if I am not a Citizen or Permanent Resident of New Zealand?

A. You must be a New Zealand Citizen or Permanent Resident at the time of application to apply for a Top Achiever Scholarship, a Māori Academic Excellence Scholarship, a Pacific Academic Excellence Scholarship, an Academic Potential Scholarship, a Waka Moana Scholarship and a Vaka Moana Scholarship.

If you are an Australian citizen or permanent resident, you can only apply for scholarships for New Zealand Citizens or Permanent Residents if you have the appropriate New Zealand visa. If not, you are able to apply for any scholarships that state they are for domestic students.

International students currently enrolled at a New Zealand secondary school or kura can apply for an International School Leaver Scholarship.

The regulations for each scholarship or award outlines who is eligible to apply, including New Zealand Citizens, New Zealand Permanent Residents, domestic students, or international students.

Q. Are these scholarships only open to students still at school?

A. You must be enrolled in your final year of secondary school or kura to apply for a Top Achiever Scholarship, a Māori Academic Excellence Scholarship, a Pacific Academic Excellence Scholarship, an Academic Potential Scholarship – School Leavers, a Waka Moana Scholarship, a Vaka Moana Scholarship or an International School Leaver Scholarship. Students enrolled in eligible University of Auckland pathway programmes are able to apply for the University of Auckland Academic Potential Scholarship – Pathway Programme Students.

Why stay in accommodation?

Staying in a University of Auckland hall of residence means you are living in the central city, in a safe location, with student services on hand, and the opportunity to build lasting friendships and develop your interests with like-minded students.

As part of your accommodation you get free membership to the University Recreation facilities on the City Campus, including access to a wide range of group fitness classes, weights and cardio equipment.

What's more, living in University accommodation provides an environment that is conducive to your continued academic achievement. Recent studies have shown that students in University accommodation have achieved a higher pass rate, including the number of A grade and course completion rates, than those who are not staying in University accommodation.

How do I apply?

Before you apply for any scholarships, you'll need to apply for at least one programme at the University of Auckland. Don't stress if you're not 100% sure what you want to study yet—you can always change or add programmes later.

After you submit your application for admission, you'll be able to log into the scholarship system (Community Force) within 24 hours. If you're applying close to the deadline, the system might be slower than usual because lots of people will be using it at the same time.

There's one main application form that covers several scholarships, including the Top Achiever, Māori Academic Excellence, Pacific Academic Excellence, Waka Moana, Vaka Moana, and Academic Potential – School Leavers scholarships. You'll choose which ones you want to be considered for, and depending on your choices, you might need to fill out some extra sections. You could also be considered for other scholarships based on your chosen programme.

It's a good idea to apply for every scholarship you think you might be eligible for.

If you're planning to take a gap year, make sure you apply for scholarships while you're still at school.

When you're ready to apply, go to the scholarship page and click the blue "Apply now" button (it will only show when applications are open).

The application form will include different sections with questions about you and your achievements. The next pages will give you tips on how to complete each section.

Make sure you save your work as you go so you don't lose anything if the page times out.

If you need to write any statements or letters, it's best to write them in a separate document (like Word or Pages) first, then copy and paste them into the form.

Starting your scholarship application

Q. Where can I find the scholarship application form(s)?

- A. Links to the application forms can be found on the webpage for each scholarship:
- > Top Achiever Scholarship
 - > Māori Academic Excellence Scholarship
 - > Pacific Academic Excellence Scholarship
 - > Academic Potential Scholarship - School Leavers
 - > Waka Moana Scholarship
 - > Vaka Moana Scholarship

Q. Why do I need to complete an application for admission before I can submit an application for a scholarship?

- A. You need to be an applicant to the University in order to access the scholarship application form. Don't worry if you haven't decided what you want to study yet, you can always change or add your programme later.

Q. I can't access the online application form for my scholarship. What should I do?

- A. Try the following:
- > Check you have submitted your application for admission to the University. The status should display as "Submitted".
 - > Close your browser and clear the cache. Reopen the browser and try again. If you have the option, try another browser and/or another computer such as a school computer. The best browsers to use for scholarship applications are Chrome and Firefox.
 - > Make sure you only have one scholarship application form open in your browser at any time.
 - > If none of these options clear the problem, please email the Scholarships Office at scholarships@auckland.ac.nz and include:
 - > Your name
 - > Your University of Auckland 9-digit ID number
 - > The name of the scholarship you are applying for
 - > The name of the internet browser you are using
 - > A screenshot showing the error message you are seeing.

If it is within ten days of the closing date, please mark the subject of your email "Urgent – Scholarship application [name of scholarship]".

Helpful hints and tips

The sections named below are specific to the University's school leaver scholarships only. Other scholarships will have different requirements.

Getting started

The first section is an overview of the scholarships you can apply for in this form, and some helpful hints on completing your application. You'll also select which of the scholarships you would like to be considered for here.

Personal Details

This section should already be completed for you with the information you provided in your application for admission. Take a quick look and make sure it is all showing correctly. There are instructions in the section on what to do if you need to change anything or if your details aren't showing.

Tell us about you

We'd like to hear a bit about you in this section, particularly about things that might impact on your ability to attend university, or on your participation in extra-curricular activities while you have been at secondary school or kura. Even if none of these relate to you, you are still eligible to apply for these scholarships.

The information you include in this section will be sent to your school endorser for verification, so make sure you include everything before you complete the Request section.

My Achievements

This section is where you can tell us about some of the amazing things you have accomplished in the last few years.

These are the areas included in the form. The examples listed are suggestions only.

- › Academic competitions (e.g. Maths Olympiad, debating championships, essay writing competitions, Young Enterprise, NZ Interschools Chess Championships)
- › Sports or esports competitions (Have you been selected as a representative or participated in the finals of a sports or esports competition at a regional, national or international level?)
- › Sports coaching or umpiring (Have you been involved in any type of sports coaching or umpiring?)
- › Arts competitions (e.g. Polyfest, Rockquest, Pacifika by Nature, Stage Challenge, Sheila Winn National Shakespeare Festival, NZ Concert Bands Association, Race Unity Speech Awards, creative writing or song writing competitions, NZ Schools Hip-Hop Competition, Auckland Secondary School Production Competition, Young Singers in Harmony)

- › Visual and Performing Arts (e.g. member of a dance company, performing in NZSS orchestra or Youth Symphonic, exhibiting in a community or commercial gallery, an acting, musical or production role in a community play or musical, passed external examinations in speech, drama or music)
- › School leadership (Have you held any school leadership roles such as Head Prefect/Girl/Boy or Deputy Head Prefect/Girl/Boy, House Captain, Sports Prefect/Captain, leader of a school committee, Peer Group Leader, Sports Prefect/Captain representative on Board of Trustees?)
- › Community-based awards and community involvement (e.g. Prime Minister's Youth Pacific Awards, Rotary Youth Leadership Awards, Trustpower Youth Community Spirit Award)
- › External leadership programmes (e.g. Spirit of Adventure, Outward bound, Duke of Edinburgh's Hillary Award, Model UN, Member of District Youth Council, Young, Enviro Leaders Forum, Red Cross Forum, UNICEF Youth Ambassador, World Challenge Expedition)

The information you include in this section will be sent to your school endorser for verification, so make sure you include everything before you complete the Request section.

My School or Kura

In this section you will provide details of your current and previous education.

If you are undertaking NCEA or CIE, you will be asked to give your consent for the University to access your Year 12 results from NZQA or the Cambridge International Examinations board. Without your consent we won't be able to process your application.

If you are undertaking IB, your school endorser will be asked to provide your predicted results.

My Study Plans

In this section, you'll be asked about your preferred programme of study, and when you are planning to start your enrolment.

If you are taking a gap year next year, you need to apply now while you are still in your final year of secondary study or kura. If you don't apply this year, you won't be able to apply for these scholarships next year, but you will still be eligible for other scholarships and awards for the first year of study.

By providing your preferred programme, we can check if you are eligible for other scholarships that are awarded by nomination to candidates who have applied for one of the major scholarships.

If you change your mind on your preferred programme after you have applied, don't worry, you will still be considered for the scholarships you have applied for. It might change your eligibility for a faculty-specific scholarship.

Information for Māori applicants

If you have Māori ancestry and have applied for the Māori Academic Excellence Scholarship and/or the Waka Moana Scholarship, you will be asked to list your main iwi, hapu and marae and about your whakapapa (Declaration of Ethnicity section), about your involvement with your taha Māori (e.g. reconnecting with your language/culture/whenua, involvements with special events or competitions, or roles you may have held within your kura/whānau/hapu/iwi) (Personal statement section), and if you have participated in Māori performing arts (e.g. Kapa Haka, Ngā Manu Kōrero Speech Competition), if you have played an active role in Māoritanga or had a leadership role in or involvement in Māori cultural activities within your school or community (e.g. involvement in programmes, support services and events offered by groups or organisations such as Rangatahi, Whakapiki Ake Project, KiaOra Hauora, Hapai te Hauora) (Cultural Leadership section). If you are applying for a Waka Moana Scholarship, you will also write a statement on your school citizenship (i.e. school engagement) (My School or Kura Engagement section). You can complete these sections in either te reo Māori or English.

You will also be asked to request a verification from a kaumatua, marae representative or authorized person from your iwi or runanga who can verify that you are of New Zealand Māori descent and confirm your recent cultural leadership and participation (Request section - Ethnicity and Cultural Leadership Verification).

Information for Pacific applicants

If you have Indigenous Pacific ancestry and have applied for the Pacific Academic Excellence Scholarship and/or the Vaka Moana Scholarship, you will be asked to describe your link through descent to indigenous people including outlining your lineage including island and village and your family details from the last two generations (Declaration of Ethnicity section), and if you have had a leadership role or actively participated in Pacific cultural activities within your school or community (Cultural Leadership section). If you are applying for a Vaka Moana Scholarship, you will also write a statement on your school citizenship (i.e. school engagement) (My School or Kura Engagement section).

You will be asked to nominate someone from your Indigenous Pacific community who can verify that you are of Pacific descent. This could be a school staff member (careers adviser, sports coach, teacher) of a professional person from your community (e.g. priest or pastor if you are a member of a church community, a lawyer, doctor or any other professional person). Ideally, your certifier should be of Pacific descent, know you and your family well, and cannot be a close family member (Request section - Ethnicity and Cultural Leadership Verification).

Other Scholarships or Awards

In this section you will be asked to provide information about any other scholarships, awards or grants you will be receiving to support you in your first year of study at university, as well as any other scholarships you have applied for, both within the University or through external funding agencies.

Application Declaration

This section comprises three declarations:

1. that you will have applied for accommodation,
2. that you accept the conditions of applying for a scholarship,
3. that your application is true, correct, and all of your own work

Request sections

Depending on the scholarship(s) you are applying for, you will need one or more endorsement or verification.

School/kura endorser (this should be your principal or their nominee (associate/assistant/deputy principal, dean, careers adviser or a teacher). They will be asked to endorse that the information provided in the Tell us about you and My achievements sections is correct.

If the information is not correct, a field is available for them to provide further details. They will also be asked to confirm your IB predicted results (if applicable). If any of your extra-curricular activities were not undertaken at your school/kura you will need to provide evidence of these to your endorser.

For applicants to the Waka Moana Scholarship and Vaka Moana Scholarship, they will also be asked to comment on your school or kura engagement. You must have completed the Tell us about you, My Achievements and My School or Kura Engagement sections before you nominate your endorser. You will not be able to make any changes to these sections once you have nominated your endorser.

Ethnicity and Cultural Leadership Verification (see above Information for Māori Applicants and Information for Pacific Applicants)

The person(s) you nominate must not be a family member, and it is important that you nominate someone who can confirm the information you have supplied in your application. You may need to provide evidence or documentation to your endorser and/or verifier so that they can complete their part of the application form.

When you nominate an endorser/verifier, they will be sent an email to the email address you have entered, requesting that they complete a confidential form for you. Only the nominated endorser or verifier can access the online form. The Scholarships Office will not accept any documents sent directly by an applicant.

You will not be able to submit your application form until your endorser/verifier has completed their section(s) so make sure you give them plenty of time before the closing date. You will be able to see on your application dashboard when their sections have been completed, and you will receive an automated email when each one has been submitted.

FAQs

Endorsement sections

Q. Can I nominate the same person as endorser and verifier?

A. Yes, you can nominate the same person for both roles, provided they meet all the requirements. You will need to make sure they are aware of all the information they will be endorsing or verifying. They will receive two separate notifications, one for each role.

Q. My nominated endorser is unable to provide me with an endorsement. Can I change this person?

A. Yes, if your endorser has advised that they are unable to provide you with an endorsement before the closing date, then you will need to identify an alternative endorser and nominate them using the same process used with nominating the original endorser.

Q. My endorser has not received an email asking them to provide an endorsement. How can they get access?

A. Please ask your endorser to check their junk mail to see if the email has been directed there. If not, you can resend them the link by following the instructions in the Request section. If they still don't receive the link and ask them to email scholarships@auckland.ac.nz and include:

- > Your name
- > The name of the scholarship(s) you are applying for
- > Please advise them to make the subject of their email "Urgent – Scholarship endorsement [name of scholarship]".

Q. My endorser cannot access the link in the email for my application. Can I email their endorsement to you?

A. We cannot accept endorsements sent by students on behalf of their endorser. If your endorser is having trouble accessing or submitting their endorsement, ask them to email scholarships@auckland.ac.nz and include:

- > Your name
- > The name of the scholarship(s) you are applying for
- > Please advise them to make the subject of their email "Urgent – Scholarship endorsement [name of scholarship]".

Q. What do I do if the email address for my chosen endorser was incorrect or has changed?

A. You can update their email address in the Request section and resend the request. If you have trouble doing this, please contact the Scholarships Office as soon as possible.

Q. What do I do if my endorser has already submitted their form, but I need to nominate a new person?

A. There will need to be exceptional circumstances for this to be done, you can contact the Scholarships Office and request the section be released, which will allow you to update your application form.

Email scholarships@auckland.ac.nz and include:

- > Your name
- > Your 9-digit University of Auckland ID number
- > The name of the scholarship(s) you are applying for
- > A brief explanation of why you need to nominate a new endorser and/or verifier
- > Please make the subject of their email "Urgent – Scholarship application [name of scholarship]".

Q. What if my endorsements are sent in late?

A. You won't be able to submit your application until all endorsements and verifications are completed. You will need to remind your endorser/verifier to submit their section before the closing date.

Submitting your application

Q. I have completed my application, but am unable to submit it?

A. You will only be able to submit your application when all sections show as 100% completed, and all endorsements and verifications have been completed. It is your responsibility to follow up with your endorser(s) and/or verifier(s) to ensure that all endorsements are submitted on time. Late applications cannot be submitted.

Application outcomes

Q. When will I be notified of the outcome of my scholarship application?

- A. Everyone who submits a completed application by the closing date will be sent an email advising the outcome in early October. Please do not contact our office asking about your application before then.

Q. I have applied for a scholarship and have indicated that I will be taking a gap year next year. When will I hear the outcome of my application?

- A. You will hear the outcome of your application in early October.

Q. I have applied for an Academic Potential Scholarship, how will I know how much money I will receive?

- A. We are unable to tell anyone in advance how much money they are likely to be awarded, if successful. The Review Committee will determine which tier an applicant is awarded based on the number and type of applications we receive. Students with proven financial need will be prioritised for Tier 1 and 2 awards.

Q. If my application is unsuccessful, is there anything else I can apply for?

- A. Yes, there is a range of scholarships, each with different criteria and varying closing dates across the year. There is a table of scholarships for the first year of study in this guidebook, and many more listed on our website. New scholarships are added regularly, so keep an eye on the Scholarships website.

We encourage you to apply for any scholarship that you think you are eligible for.

Students who have been awarded a scholarship

Q. Can I defer my scholarship because I don't want to start university in the year of offer?

- A. Deferrals are not granted unless there are compelling medical or adverse personal circumstances beyond a student's control. If you wish to be considered, you will need to apply in writing to the Scholarships Office (scholarships@auckland.ac.nz) outlining your circumstances with supporting documents. The final decision on this rests with the Scholarships Office.

Q. I have received a scholarship that pays my accommodation costs in a hall of residence. Do I need to pay my deposit and move-in fees?

- A. The scholarship will pay the deposit. Your move-in costs (as specified by Accommodation) may also be paid by the deposit. You do not need to pay these costs.

Q. When will I receive payment of my scholarship?

- A. Lump sum scholarship payments will be made in Semester One and Two after your enrolment has been confirmed, and we can confirm that you have met any rank score, GPA or passing grade requirements as specified in the Terms for your scholarship.

Q. I am enrolling in Summer School as a first-year student. Can I get my scholarship paid early?

- A. Payment for these scholarships will begin in either Semester One or Two and does not include Summer School.

You may be eligible for a Kōkiri Raumati Scholarship for Summer School. Read the Scholarship regulations for more details.

Q. What happens if I have not met the rank score or GPE to take up my scholarship?

- A. If you do not meet the rank score or GPE requirements to take up your scholarship, the offer may be withdrawn. Any student whose rank score or GPE is close to the requirements will have their eligibility to take up the scholarship reviewed on a case-by-case basis.

Q. What happens if I do not meet the passing grades or GPA requirements to keep my scholarship?

- A. If you don't meet the passing grade or GPA requirements outlined in the regulations for your scholarship, we will discuss your situation with you on a case-by-case basis to determine if your scholarship may be suspended until your GPA meets the required level, or if you will lose your scholarship.

Useful Links

We have included some links below that we think are useful for first-year students looking to study at the University of Auckland.

Accommodation – everything you need to know about applying for student accommodation at the University of Auckland

Am I eligible for a scholarship – information on what different scholarship eligibility criteria means

Fees and Money Matters – everything you need to know about financing your study including student loans and allowances, budgeting advice and undergraduate fees

Find a scholarship – search for scholarships by keyword, subject, faculty or personal characteristics

How to apply for a scholarship – general information on applying for scholarships and awards

Parents and Whānau – information for parents and caregivers

Scholarships for Māori students – information on scholarships and awards for Māori students

Scholarships for Pacific students – information on scholarships and awards for Indigenous Pacific students

Scholarships for international students – information on scholarships and awards for international students

Scholarships for students from low socio-economic backgrounds – information on scholarships for students from high Equity Index schools, or students who are first in their family to attend university

Scholarships for students from refugee backgrounds – information on scholarships and awards for students from refugee backgrounds

Scholarships for students with disabilities – information on scholarships and awards for students with disabilities

Scholarships for women – information on scholarships and awards for women

School-leaver and first-year scholarships – information on what you can apply for in your final year of secondary school or kura, or in your first year at university

StudyLink – detailed information about student loans and allowances and how to apply
