

## A L Titchener Prize

<b>Code:</b>	P602
<b>Faculty:</b>	Engineering
<b>Applicable study:</b>	Final Year BE(Hons) Research Project in Chemical Engineering
<b>Closing date:</b>	By nomination
<b>Tenure:</b>	Prize
<b>For:</b>	Prize
<b>Number on offer:</b>	One
<b>Offer rate:</b>	Annually
<b>Value:</b>	\$1,000

### Description

---

The Prize was established in 1986 to mark the retirement of Professor A L Titchener, the first Professor of Chemical and Materials Engineering. The fund supporting the Prize was raised by contributions from New Zealand industries and the Engineering Profession.

### Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Chemical and Materials Engineering

### Regulations

---

1. The Prize will be known as the A L Titchener Prize.
2. The value of the Prize will be \$1,000.
3. The Prize will be awarded annually for the most distinguished academic performance in the Final Year Research Project in Chemical Engineering for the Bachelor of Engineering (Honours) degree in Chemical and Materials Engineering.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Chemical and Materials Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Chemical and Materials Engineering shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary the above regulations provided that there is no departure from the main purpose of the Prize.
