The Award will be made by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Dean of the Faculty of Business and Economics (or nominee), the Associate Dean (Academic Programmes and International) of the Faculty of Business and Economics (or nominee), and the Associate Dean (Postgraduate Research) of the Faculty of Business and Economics (or nominee).

## Notes

---

- I. While there is no limit on the number of times a student may apply for this Award, it is not intended to fund a complete degree. It provides short term relief for students experiencing unexpected financial hardship.*
- II. Financial hardship will be determined by a range of factors including eligibility for a StudyLink Student Allowance, and personal and financial circumstances. Candidates need to demonstrate that they are experiencing financial hardship, and that they are struggling to meet basic living costs. Incurring debt is not evidence of financial hardship.*
- III. For the purposes of this Award, academic achievement for students enrolled in the first year of an undergraduate degree will be assessed as the Admissions grade point equivalent (GPE). Academic achievement for students enrolled in the second year of an undergraduate degree will be assessed as the grade point average (GPA) obtained over the first year of study. Academic achievement for students enrolled in the third or subsequent year of an undergraduate degree will be assessed as a Scholarships GPA or GPE obtained over the applicant's most recent two years of full-time graded study (or equivalent). Academic achievement for students enrolled in a postgraduate programme or Graduate Diploma in Commerce will be assessed as the GPA/GPE calculated over the most recent qualifying programme (see Note IV).*
- IV. The most recent qualifying programme is defined as the most recently completed programme of study that qualifies the applicant for entry to the postgraduate programme for which they are applying.*
- V. Payments under the terms of this Award remain tax-free as long as they are used directly for the payment of costs associated with an awardee's programme of study and to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the award.*
- VI. Recipients of the Business School Student Support Award will be required to give undertakings that they will comply with the regulations for the Award and will notify the Scholarships Office of any change in their enrolment or funding status. The University of Auckland may, in the event that it can be established that a recipient of a Business School Student Support Award is not complying with these regulations, terminate the Award and require repayment of the funds received.*
