## Description

---

The Prize was established in 2021 and is funded by Facebook.

The main purpose of the Prize is to reward and recognise the top student in INFOGOV 704 Artificial Intelligence Regulation.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the Department of Commercial Law

## Regulations

---

1. The Prize will be known as the Facebook Prize in Artificial Intelligence Regulation.
2. One Prize will be awarded annually and will be of the value of \$1,000.
3. The Prize will be awarded to the student who achieved the highest mark in INFOGOV 704 Artificial Intelligence Regulation. As a minimum standard, the student must have achieved an A- grade.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of Department of Commercial Law (or nominee).
5. In the event of a tie, the Head of the Department of Commercial Law (or nominee) will determine whether the Prize may be shared.
6. The University of Auckland Council can amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
