New Zealand Super Fund Prize in Sustainable Finance

Description

The Prize was established in 2024 and is funded by the New Zealand Superannuation Fund, a Crown entity charged with managing and administering government assets and investments.

The main purpose of the Prize is to recognise and encourage students in the area of sustainable finance.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Prize will be known as the New Zealand Super Fund Prize in Sustainable Finance.
2. One Prize will be awarded annually and will be of the value of $1,500.
3. The Prize will be awarded to the student enrolled full-time in a Master of Applied Finance specialising in Sustainable Finance who achieved the highest grade point average (GPA) over BUSFIN 712 Sustainable Finance, BUSFIN 713 Climate Finance, and either BUSFIN 721 Sustainable Finance Industry Project or BUSFIN 724 Sustainable Finance Project. As a minimum standard, the student must have achieved a GPA of at least 7.00 (equivalent to an A- average).
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Director of the Graduate School of Management (or nominee) in consultation with the Director of the Master of Applied Finance programme (or nominee).
5. In the event of a tie, the Director of the Graduate School of Management (or nominee) will determine whether the Prize may be shared.
6. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
7. The University of Auckland Council can amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
Notes

1. These regulations are subject to Senate and Council approval.
