Description

The Prize was established in 1995 and is financed from the investment funds which were made available by Norman Thom for this purpose.

The main purpose of the Prize is to recognise the best overall performance each year by a student undertaking a postgraduate programme in Environmental Management in the School of Environment.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the School of Environment (or nominee)

Regulations

1. The Prize will be known as the Norman Thom Prize for Environmental Management.
2. One Prize will be awarded annually and will be of the value of \$1,000.
3. The Prize will be awarded to the full-time student who achieved the best grade point average (GPA) in the Postgraduate Diploma in Science (PGDipSci) in Environmental Management, or the Master of Environmental Management (MEnvMgt) or the first year of a 240 point Master of Science (MSc) in Environmental Management. As a minimum standard the student must have achieved at least a GPA of 7.00 (equivalent to an A- average).
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the School of Environment (or nominee).
5. In the event of a tie, the Head of the School of Environment (or nominee) will determine whether the Prize may be shared.
6. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
7. The University of Auckland Council can amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
