3. To be eligible for Scholarship consideration, an applicant must be i) a Māori student, ii) a Citizen or Permanent Resident of New Zealand (see Note II), iii) enrolled full-time in the first year of a Bachelor of Architectural Studies (BAS) at Waipapa Taumata Rau, University of Auckland.
4. The first three years of the Award Scholarship will cover the BAS, and the fourth and fifth year of the Scholarship will cover the Master of Architecture (Professional).
5. The basis of selection will be academic achievement based on results achieved in Semester One, the quality of the applicant's portfolio submitted with their BAS application, why the applicant wants to be an architect, and how the applicant would benefit from the financial support of the Scholarship as assessed by a personal statement. Applicants must state their ancestry or iwi affiliations.
6. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Selection Committee comprising the Head of the School of Architecture and Planning (or nominee), one member of Academic Staff from the School of Architecture and Planning nominated by the Head of School, and one representative of the

donor.

7. In the first year, the Scholarship will be paid in instalment upon acceptance of the award, and in annual instalments in Semester One of each subsequent year of study, as soon as is practical after confirmation of the awardee's enrolment (that is, after the final date on which a student may add or delete courses without incurring a late enrolment fee).

It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Award.
10. The University of Auckland Council, in consultation with the donor, has the power to terminate or suspend a Scholarship if it receives a report of unsatisfactory progress by a Scholar from the Head of the School of Architecture and Planning.
11. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
12. Payments under the terms of this Scholarship remain tax-free as long as they are used for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying (see Note I). Failure to comply with this regulation will result in the termination of the Scholarship.
13. The University of Auckland Council, in consultation with the donor, can amend or vary these regulations provided that there is no departure from the main purpose of the Scholarship.
