

# Siphala Foundation Stage II Chemistry Prize

<b>Code:</b>	P946
<b>Faculty:</b>	Science
<b>Applicable study:</b>	CHEM 251, 252, 253
<b>Closing date:</b>	By nomination
<b>Tenure:</b>	
<b>For:</b>	Prize
<b>Number on offer:</b>	Three
<b>Offer rate:</b>	Annually
<b>Value:</b>	\$250 each

## Description

---

The Siphala Foundation Stage II Chemistry Prize was established in 2010 by the Siphala Foundation. The Siphala Foundation is a charitable trust which supports the education of young people in Sri Lanka and New Zealand.

The main purpose of the Prize is to recognise and reward the students who have excelled in core Stage II Chemistry courses.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Chemical Sciences

## Regulations

---

1. The Prize will be known as the Siphala Foundation Stage II Chemistry Prize.
2. Three Prizes will be awarded annually, and the value of each Prize will be \$250.
3. The Prize will be awarded annually to the student who achieved the highest grade in each of the following courses: CHEM 251 Structure and Spectroscopy, CHEM 252 Properties and Analysis of Matter, and CHEM 253 Making Molecules: Synthesis and Isolation. As a minimum standard, the student should have achieved at least an A- grade. In the event of a tie, the Prize will be awarded to the student who achieved the highest mark.
4. The Prizes will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Chemical Sciences.
5. The Prize may not be shared.
6. The University of Auckland Council is not obliged to make an award in any year if there is no candidate of sufficient merit.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
