Description

The 'Strive Towards Science Award' was established in 2015 and is funded by Vivvek Gargi.

The main purpose of the Award is to support an undergraduate student enrolling in the first year of a Bachelor of Science or Bachelor of Advanced Science (Honours) at the University of Auckland who has been selected to participate in the Science Scholars programme and exhibits intellectual curiosity and a passion for science in a broad context.

Selection process

- Candidates will be selected from applications for the Science Scholars programme
- Nomination is made to the Scholarships Office
- The Award will be awarded by the University of Auckland Council upon the recommendation of the Selection Committee

Regulations

1. The Award will be known as the Strive Towards Science Award.
2. Two Awards will be made annually for a period of up to one year, and will be of the value of up to \$1,000 each.
3. The Award will be made annually to the full-time students enrolled in the first year of a Bachelor of Science (BSc) or associated conjoint degree, or a Bachelor of Advanced Science (Honours) (BAdvSci(Hons)) or associated conjoint degree, and who have been selected to participate in the Science Scholars programme.
4. The basis of selection will be academic achievement based on results in the National Certificate of Educational Achievement (NCEA) or an equivalent qualification, and the candidate's application to the Science Scholars programme (see Note I).
5. The Award will be made by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Dean of Science (or nominee), the Programme Director of the Science Scholars programme (or nominee) and a representative of the donor.
6. The Award will be paid in one instalment in the third week of Semester One.
7. The Award may be held concurrently with any other scholarship, award or grant as long as the regulations for that

scholarship, award or grant permit and the University of Auckland Council is informed and approves. It is the responsibility of the recipient to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Award.

8. The University of Auckland Council is not obliged to make an award in any year if there are no candidates of sufficient merit.
9. The University of Auckland Council has the power to amend or vary these regulations, in consultation with the donor, provided that there is no departure from the main purpose of the Award.
10. Notes [I]-[III] below are deemed to be regulations.

Notes

- I. Applications to the Science Scholars programme must be made at <https://www.auckland.ac.nz/en/science/study-with-us/science-scholars-programme.html>.*
- II. Payments under the terms of this Award remain tax-free as long as they are used for the payment of costs associated with an awardee's programme of study and to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the Award.*
- III. Recipients of a Strive Towards Science Award will be required to give undertakings that they will comply with the regulations for the Award and will notify the Scholarships Office of any change in their enrolment or funding status. The University of Auckland may, in the event that it can be established that a recipient of a Strive Towards Science Award is not complying with these regulations, terminate the Award and require repayment of the funds received.*
