Description

The Scholarship was established in 2004 and is funded by Waipapa Taumata Rau, University of Auckland. These regulations also apply to faculty and large-scale research institute, and externally funded Summer Research Scholarships that are administered by the central Waipapa Taumata Rau, University of Auckland Summer Research Scholarship Scheme.

The main purpose of the Scholarship is to give current international and domestic university students an opportunity to experience research, and to thereby encourage them to pursue postgraduate study at Waipapa Taumata Rau, University of Auckland.

Selection process

- Application is made online to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship shall be known as the University of Auckland Summer Research Scholarship.
2. The University of Auckland Summer Research Scholarship and will be of the value of \$6,750, paid as a fortnightly stipend. The Scholarship is payable within the period of November to February inclusive.
3. All applicants are required to apply for admission to the Summer Research Scholarship Programme. Awardees will be enrolled in the Summer Research course, SUMRESCH 301, and are expected to conduct a research project of approximately 10 weeks duration (400 hours) under the supervision of an academic staff member (see Notes II and III). Actual starting and finishing dates must be agreed by the supervisor.
4. The Scholarship is tenable by domestic and international students (see Notes IV and V).
5. To be eligible for scholarship consideration, applicants must satisfy the requirements of regulations 6, 7, 8, 9 and 10.
6. Applicants who will have completed at least two years of equivalent full-time study in an undergraduate degree at the time of take-up of award are eligible for consideration for a University of Auckland Summer Research Scholarship,

provided that the applicant satisfies any additional study requirements or restrictions specified under Notes X to XII, and that the applicant either a) is enrolled in an undergraduate degree at a New Zealand university (see Note VI) at the time of scholarship application, or b) is enrolled, at the time of scholarship application, in a postgraduate diploma or postgraduate Bachelor (Honours) degree at a New Zealand university (see Note VI) as permitted under Notes VII to IX, or c) was or is enrolled in an undergraduate degree at an international institution in the same calendar year as the scholarship application.

7. An applicant must have a Scholarship grade point average (GPA) or grade point equivalent (GPE) of 5.50 or above over their two most recent years of full-time study (or equivalent) to be considered for a scholarship; Māori applicants or Pacific applicants (see Note XIII) are required to have a SGPA/GPE of 5.00 or above over their two most recent years of full-time study (or equivalent) in order to be considered for a scholarship.
8. An applicant must have a clearly defined project and suitable supervisor willing to supervise the project. Faculties or large-scale research institutes (LSRIs) may offer a predetermined list of supervised projects or require the student to devise the project (see Note XV). Additional scholarships and/or projects may be awarded by nomination to eligible students (see Note V) currently enrolled at Waipapa Taumata Rau, University of Auckland if additional funding becomes available later in the year.
9. A student who has previously held a University of Auckland Summer Research Scholarship is not eligible to hold a second scholarship, except as allowed under Note XVI.
10. To be eligible to hold the scholarship, awardees must not a) be seeking employment as tutors during Summer School or be in paid employment inside the University during the tenure of their Summer Research Scholarship, or b) have commenced a masters or doctoral programme, or a taught postgraduate programme (other than those permitted under Notes VII to IX), by the start date of the Summer Research Scholarship, or c) commence a masters or doctoral programme, or a taught postgraduate programme (other than those permitted under Notes III to IV), during the tenure of the scholarship or d) be completing a dissertation or thesis on an extension.
11. The basis for selection will be academic merit measured by Scholarship GPA/GPE, University strategic recruitment priorities, applicant interest in further study and the alignment of the applicant's academic and/or professional profile with the proposed research topic. In order to assess applications, faculties or LSRIs may request supporting documentation (as detailed in any guidelines and application forms), including but not limited to CV, personal and/or project statement, and writing sample. 12. Externally funded scholarships may apply additional eligibility and/or criteria as approved by the office of the Deputy Vice-Chancellor (Research).
13. The University reserves the right to consider applicants for topics other than those nominated by the student. In all cases, only one scholarship may be awarded per student.
14. Eligible applicants will be assessed by a Selection Committee within the faculty or LSRI through which the summer research scholarship project is offered.
15. The Scholarship will be awarded by the University of Auckland Council on the recommendation of the Selection Committee in the faculty or LSRI through which the summer research scholarship project is offered.
16. Awardees will be required to observe the research plan and frequency of meetings as agreed with their supervisor(s) at the start of the project; failure to do so will result in forfeiture of this Scholarship.
17. An awardee will be required to be co-located in the same town as their supervisor for the period of the scholarship, except during any project-related travel.
18. Awardees may undertake up to 100 hours paid work external to the University over the duration of the Scholarship (i.e. up to 10 hours per week), subject to the approval of the project supervisor.
19. Payment of the fortnightly stipend will commence as soon as is practical after confirmation of the awardee's project has commenced.

20. The University of Auckland Council is not obliged to make an award if it is determined there are no candidates that meet the criteria and/or no candidates of sufficient merit.
21. Payments under the terms of this Scholarship remain tax-free as long as they are used for the payment of costs associated with an awardee's Summer Research Scholarship Programme and/or to assist the awardee with living costs while undertaking their Summer Research Scholarship project (see Note I). Failure to comply with this regulation will result in the termination of the Scholarship.
22. The University of Auckland Council can amend or vary these regulations provided that there is no departure from the main purpose of the Scholarship.
23. Applications close with the Scholarships Office on 1 August in the year of the award.
24. Notes [I]-[XXIV] below are deemed to be regulations.
