# COMPASS Research Centre

Level 6, Owen G Glenn Building, Building 260, 12 Grafton Road

COMPASS has moved! Now you can simply enter the Owen G Glenn Building from Grafton Road and take the lift to Level 6. Head towards reception, turn left, then continue along until you find the door to Room 622 on your left. That is our new open plan area, which will also serve as our new seminar space. We look forward to welcoming you there. Parking is the same as it ever was, under the building, at \$5 an hour on weekdays.
