

Faculty of Arts Doctoral Statement of Research Intent

This Statement of Research Intent will be consulted by the Faculty as part of your doctoral programme application. It will also be consulted as one of the selection criteria for a University of Auckland Doctoral Scholarship if you choose to apply. Please note that there is a 1000 word limit to this document, exclusive of bibliography.

Name of Applicant:

PhD subject area:

Title of research topic:

Abstract Please provide an abstract of your proposed research, clearly identifying its aims and objectives (350 word limit).

Scholarly Context Please supply a concise review of the most significant research pertinent to your field (350 words).

Research Design Please describe the major methods and/or theoretical framework you will use to collect and analyse the information needed in your research project and explain how these will facilitate your goals (350 words).

Key works/bibliography: Please list a select bibliography of major works that inform your research

Relevant experience: please use this section to comment on any specific skills, knowledge, and experience you bring to the proposed project? Briefly state why you are a strong candidate to undertake the project described (350 words)

UoA Strategic Objectives (optional): Explain how your research fits with our strategic objectives. *Only complete if you are applying for a University of Auckland or Faculty of Arts Scholarship* (350 words - see website for details of awards).
