

MBA programme course structure

BUSINESS SCHOOL

- 180 points must be taken to complete the programme.
- Courses can be taken in any order (*apart from two which have prerequisites).
- By taking 30 points a quarter it is possible to complete the MBA in six consecutive quarters.
- You can apply for a suspension of study of up to 4 quarters, subject to approval of the MBA Director and Senate.
- Most students complete the programme in 18 months (full-time); 30 points per quarter. As a part-time student, you can take up to 36 months (3 years) to complete the programme.
- Courses are valued at 7.5 points, 15 points or 30 points. The more points awarded the greater the class contact hours required.
