Congratulations on being offered a place on the Bachelor of Sport, Health and Physical Education programme at the Faculty of Education and Social Work, the University of Auckland. We are really looking forward to working with you as you embark on your journey in this exciting and growing field of study.

One of the first things you will learn about the field of sport, health and physical education is the importance of people and relationships. It's important for us to get to know you, and we want you to get to know the teaching and support team who will be working with you. In fact, we think it is so important that we are replacing the first week of lectures with three days of activities, seminars, games and food.

Please plan to attend:

Monday 4th March (9am – 3.30pm)

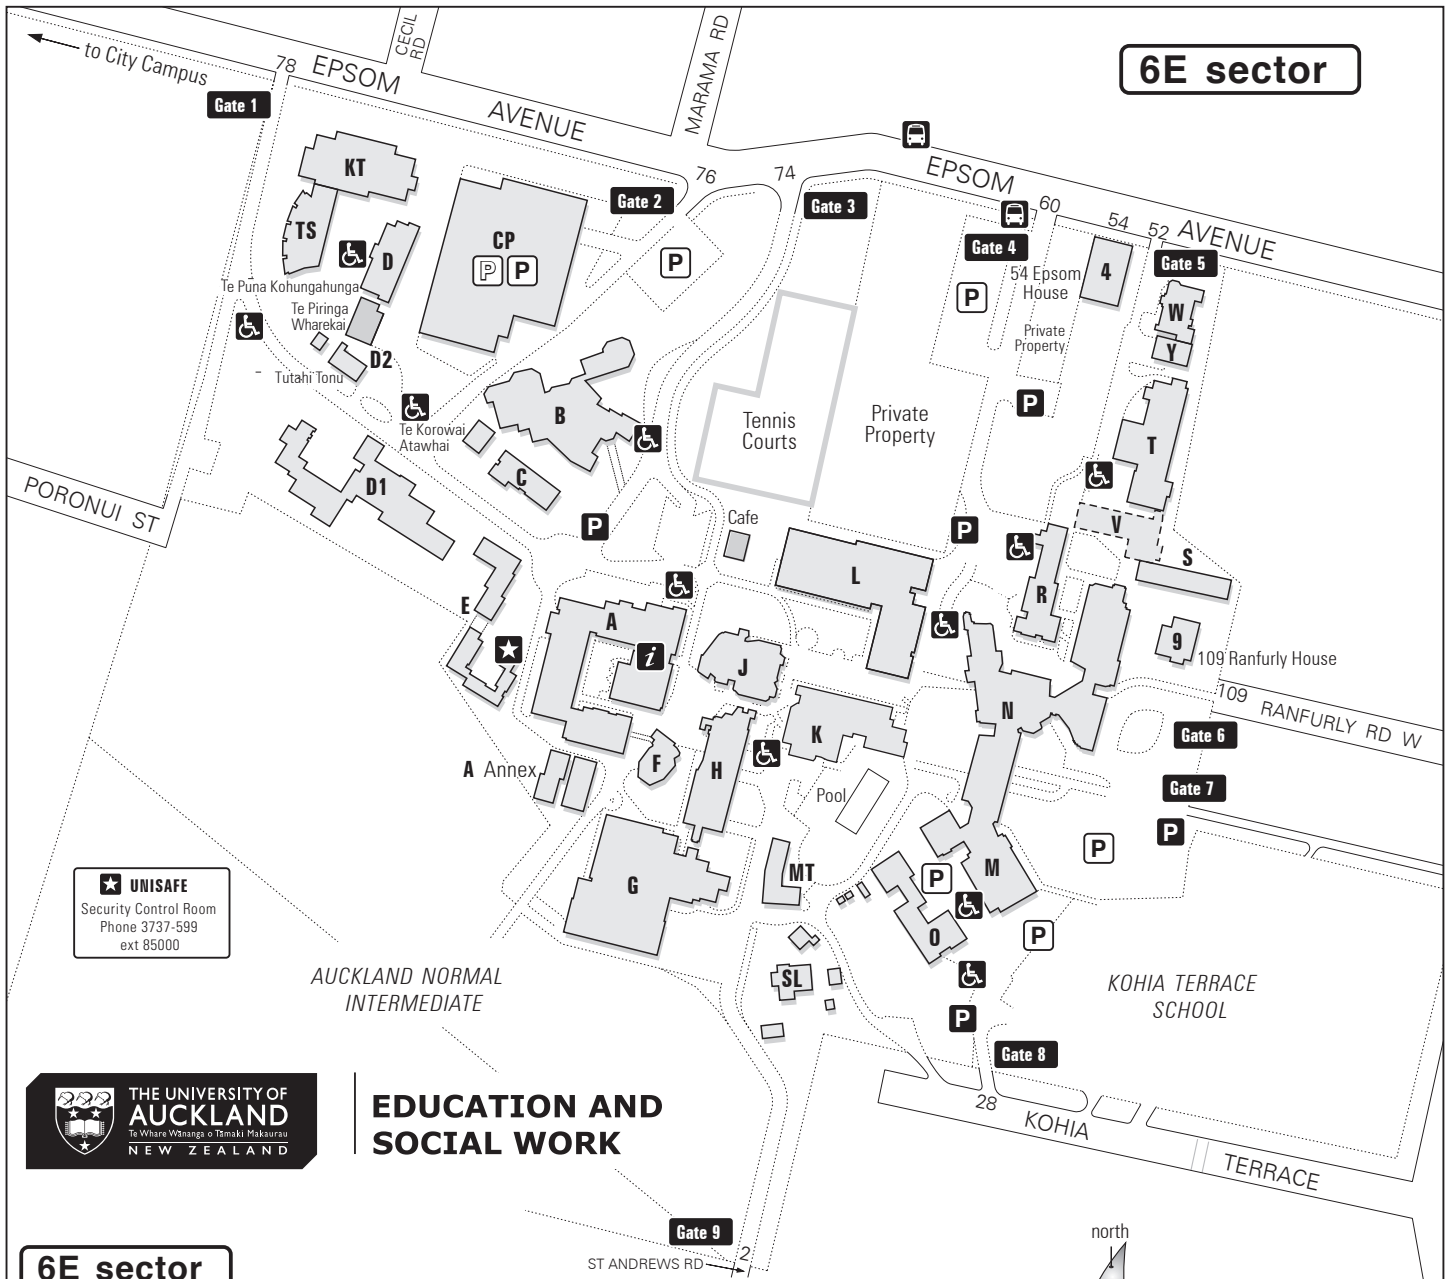

Wednesday 6th March (9.30am – 3pm)

Friday 8th March (9am – 2.30pm)

Don't worry that these sessions appear to clash with your class timetable – this compulsory programme will replace the first week of lectures.

On Monday 4th March please be at B Block (see map below) at 9am where we will begin with a pōwhiri.

We look forward to seeing you then!
