Summary of Comments on Practical Work Report: Mechatronics Engineering

Section One					
Adequate Work Experience has been carried out					
General					
General engineering work associated with skilled tradespeople. This includes work	rking w	ith ha	nd		
tools and machine tools used for metal cutting and forming, manufacturing and a	asseml	oly of			
mechanical components or equipment; fabrication, manufacture and/or mainter	nance (of elect	trical		
components or equipment; installation, maintenance and configuration of comp	uter sy	stems	•	Yes	No
				(5)	(0)
Sub-professional					
Sub-professional work associated with professional engineers. This includes med		_			
draughting, inventory control, production planning, administrative/managerial p			_		
and testing of electrical systems; design, implementation and testing of compute	r and s	oftwai	re		
systems and Summer Research Scholarship projects.					
Section One Result: Section Passed Revise and resubm	it repo	ort
