*Restrictions

- POPLHLTH 724 restrictions: NURSING 775. A student may not enrol for any course the content of which is the same as, or substantially similar to, any course for which credit has been received.
- HLTHMGT 754 restrictions: NURSING 732 and POPLHLTH 754.

**Replacement courses

Replacement course(s) needed to be discussed with Programme Director at time of enrolment.

***Reassignment

A student who does not achieve the Grade Point Average required to enrol in HLTHMGT 755 may apply to reassign courses passed for the Master of Health Leadership to the Postgraduate Diploma in Health Leadership or the Postgraduate Certificate in Health Leadership.

Structure and Content for Masters in Health Leadership

A student enrolled for this degree must complete the requirements for one of the specialisations as listed in the Master of Health Leadership Schedule.

A student must achieve a Grade Point Average of 5.0 or higher across their best 60 points of courses before being allowed to enrol in HLTHMGT 755.

A student admitted to this programme must complete the University of Auckland Academic Integrity Course as specified in the Enrolment and Programme Regulations, Academic Integrity, of the University Calendar.

The programme for each student must be approved by the relevant Head of School prior to enrolment.
