

ADMISSION CRITERIA - PGCertHSc(Mammography)

Are you a registered Medical Imaging Technologist or Radiation Therapist?

Yes

No

Do you have a clinical position in Mammography in New Zealand*?

No

Yes

You may apply on-line to be admitted to the **PGCertHSc (Mammography)** programme.

You will need to provide:

- evidence of your medical imaging or radiation therapy qualification
- your MRTB registration number
- a completed University of Auckland Clinical Training Position Agreement.

You may wish to consider enrolling in the **Mammographic Imaging Technology (MEDIMAGE 707)** course as a clinical position is not required. The pathway for enrolling in a single course is known as a Certificate of Proficiency (COP).

It is possible to reassign this single course into the **PGCertHSc (Mammography)** once you have secured your clinical position.

You are advised to contact the Faculty Student Centre at fmhs@auckland.ac.nz should you be interested in pursuing this option as there are point limits and time limits with this pathway.

You will need to gain a Medical Imaging undergraduate degree to be eligible to enrol in the **PGCertHSc (Mammography)**.

The **BMedImag(Hons)** qualification is offered by the University of Auckland. Students are selected from applicants who have completed:

- Year 1 of the Bachelor of Science at the University of Auckland, or the Health Sciences First Year at the University of Otago, or
- a relevant degree such as science, health sciences or biomedical science within 5 years.

Alternative undergraduate Medical Imaging degrees are offered in New Zealand by Unitec (Auckland), UCOL (Palmerston North) and Ara (Christchurch).

* If you are an international student please contact the Faculty Student Centre at fmhs@auckland.ac.nz for individual advice.
