

ADMISSION CRITERIA – PGCertHSc/PGDipHSc(Medical Imaging)

Are you a registered Medical Imaging Technologist?

Yes

No

You may apply on-line to be admitted to the **PGCertHSc (Medical Imaging)** programme which consists of four 15-point courses, or the **PGDipHSc (Medical Imaging)** programme which consists of eight 15-point courses.

You may choose your study pathway from any of the available MEDIMAGE courses and some of the CLINIMAG courses.

Note: MEDIMAGE 701 and MEDIMAGE 702 must be completed for either of these qualifications.

You will need to provide:

- evidence of your medical imaging qualification
- your MRTB (or equivalent) registration number

If you are an international student please contact the Faculty Student Centre at fmhs@auckland.ac.nz for individual advice.

You will need to gain a Medical Imaging undergraduate degree to be eligible to enrol in the **PGCertHSc/PGDipHSc (Medical Imaging)**.

The **BMedImag(Hons)** qualification is offered by the University of Auckland. Students are selected from applicants who have completed:

- Year 1 of the Bachelor of Science at the University of Auckland, or the Health Sciences First Year at the University of Otago, or
- a relevant degree such as science, health sciences or biomedical science within 5 years.

Alternative undergraduate Medical Imaging degrees are offered in New Zealand by Unitec (Auckland), UCOL (Palmerston North) and Ara (Christchurch).

Note: You may be eligible to enrol in some MEDIMAGE courses as part of another programme of study. For individual advice, please email medicalimaging@auckland.ac.nz
