Learning essentials is your key resource to support tauira with their transition to university and academic skills development at point-of-need.

Add links to your Canvas course pages to provide tauira with:
- An academic skill overview
- Techniques and strategies to use in their studies
- Links to further resources and services if required

Academic Skills Video Series

Bite-size (5-7 minute) self-paced interactive video guides on academic skills designed to:
- Appeal to flexible learners
- Cater for diverse learning styles
- Align with the Academic Workshop series

Located on their very own Canvas page, you can now integrate videos on topics such as critical thinking and time management directly into your Canvas course pages.

For the full Academic workshop experience, students can enroll in our 1-2 hour sessions.

NEW!

Academic skills hubs in your discipline

- Delivering discipline-focused academic skills
- Building upon the resources provided in Learning essentials
- Supporting tauira with self-directed online learning tools

We actively seek your feedback to inform the ongoing development of the Academic skills hubs in your discipline.
