About our Residence | Mē mātou
Goldie Estate Homestead is located in the heart of Goldie Vineyard. The vineyard and facilities are independently and professionally operated as Goldie Estate by the University, so students are immersed in a realistic winery experience.

History
Goldie Estate is the name of our boutique vineyard nestled in the beautiful setting of Waiheke Island. Here we create character wines that draw on the knowledge and experience of Kim and Jeanette Goldwater who founded winegrowing on Waiheke Island and produced iconic wines from this vineyard. We continue their philosophy of nurturing and improving our established vineyards. One never stops learning.

The Homestead was the family’s home on the Island. In 2012, it became comfortable student accommodation and has become home to students living and studying on the Island.

Your rights and responsibilities

As a member living in our diverse community, you are afforded certain individual rights that you, as well as those living around you, should respect.

Withdrawal process

**Withdrawal from your Residential Agreement early**

When you accepted your Residential Agreement, you agreed to remain in residence and pay for the entire residential period. If you find that you cannot continue your study or you wish to withdraw from your residential agreement you must first speak with your Resident Manager to complete the required paperwork. There are financial consequences for withdrawing from a contract early that your Accommodation team can talk you through this.

Your accommodation journey

### Preparing for move in

Make your move-in as seamless as possible by following our easy steps! Don’t worry, we will email all new students before they arrive, and we will expand these below!

1. **Familiarise yourself with Accommodation**
2. **Check your immunisation status**
3. **Make your payment arrangements**
4. **Connect with us and let us know when you’re coming**
5. **Pack all your essentials!**

### Step 1: Familiarise yourself with Accommodation

It is important that you familiarize yourself with Accommodation before you arrive! Reading this Resident Handbook is a great first step. Make sure you also read our Residential Rules, information on our website and all emails that are sent to you.

### Step 2: Check your immunisation status

We want to make sure that Accommodation is a safe living environment, the University of Auckland strongly encourages all of our Residents to have up-to-date inoculations for all preventable diseases such as MMR (measles, mumps and rubella) whooping cough, diphtheria, chickenpox, polo etc. It is strongly recommended that you consider getting immunised for meningococcal disease as well.

If you are unsure about your immunisation history, please consult your GP before you arrive. University Health and Counselling services also recommend you bring a copy of your immunisation records with you. Before you arrive, you will be asked to complete a medical information form on the Accommodation Portal, which will ask whether or not you have had these vaccinations.

### Step 3: Make your payment arrangements

Your advance payment and Residential Services Fee are charged to your account prior to the start of your residential period and payment must be received before you are permitted to check into residence.

It is important that you have a plan for paying your accommodation fees throughout the year. Talk with your whanau and come up with a budget and payment plan. This will help you keep to the timetable throughout the year.

### Step 4: Connect with us online and let us know when you are coming

Prior to your safe arrival, we will let you know via email how to tell us your move-in date and time. It will be important for us to have this information to manage traffic on the day. We will also let you know how to join our online community!

You can join our online community through our Facebook group [UoA - Goldies Homestead](https://www.facebook.com/groups/GoldiesHomestead/). This is a great way to get to know your fellow residents and keep up to date with activities and events in the residence. Apply to join and one of the staff will accept you to the page.

Accommodation fees
Accommodation fees are calculated for the full period stated in the Residential Agreement, and include utilities such as water, electricity, and internet access to the University’s broadband system. After your advance charge and residential services payment you will need to pay for the remaining balance.

The remaining balance of your accommodation fees will be applied to your account fortnightly according to the payment schedules on the Accommodation website. You are required to make payment of each fortnightly charge by the corresponding due date.

Additional charges
It is your responsibility to ensure that any additional charges made to your account due to damages, defaulting on payments, or items purchased through the online shop are paid in full before you check-out. The deposit of $900.00 you paid at the time you accepted your Residential Agreement, will be credited to your room account at the beginning of your residential period.

Your Accommodation online shop
The Accommodation online shop (shopping cart) is the place you go to purchase bedding packs and Accommodation event tickets. It is located in the Accommodation Portal and payment is taken online.

Your financial responsibility
If you are 18 years or over (and not associated with a study abroad group) you are responsible for the timely payment of your accommodation fees. You are to ensure that you do not fall into debt and pay for all additional services, cost recovery or events promptly. The University will hold you as the contract holder liable for all debt and if your balance is not at $0.00 on check-out, you could be referred to debt collectors. Please contact a member of the Accommodation team if you are having financial difficulty so that we may advise and support you as needed.

Paying your fees
You can pay your accommodation fees in two ways

Automatic payments via your bank. This is the preferred method of payment. Ensure that you use the first and last fortnightly instalment dates detailed on the Table of Fees for your residence when setting up your automatic payments through your online banking account or directly with your bank.

Online payments can be made via the Accommodation Portal, by simply logging in, clicking on the Accounts tab in the blue menu bar, and following the instructions provided. Please note: we do not take cash or cheque payments for accommodation fees.

Your incoming mail should be addressed to you as follows:

[Your name]

Outward mail can be posted in letterboxes in the community.

Social media
Accommodation communicates regularly on Facebook. Our Accommodation Facebook page is subject to all of our normal rules and regulations. Remember our Facebook group is: UoA – Goldies Homestead 2023.

Social media guidelines
The University encourages students to explore social media responsibly to enhance communication and further support the conduct of teaching, learning and research. You should be aware of the following guidelines:

• Be transparent (honest about who you are), be accurate (thoughtful before you post), maintain confidentiality and be respectful (respect privacy and copyright).
• You should assume that all activities on social media are public. Be mindful that actions or content posted may be visible for a long period of time.
• You should uphold and protect the image of University, including your Residence, when publishing content online or carrying out activities in an online environment.

Note on the permission of others
You should also be mindful of having sought and gained the consent of involved parties, whether posting to the Residence Facebook page, your own Facebook or any other social media channel (Instagram, Snapchat, Twitter etc). This is particularly relevant for photos and videos. You must always gain permission from someone whose photo/video you intend to post. If they don’t want their photo/video posted, respect that decision. If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material, there may be more serious repercussions, such as legal action or a police investigation. If in doubt, always ask the person concerned. You can’t assume they will agree. And if you can’t contact them or have any doubts about what you’re doing, don’t post.

Self-catering
Self-catering can be a new experience for many of our Residents. It is important to make sure you are safe, respectful and courteous of others when you are cooking in your flat kitchen or a shared communal kitchen. We recommend that you have a conversation with your flatmates about how you want to organize flat meals, and what the flat culture will be around cooking.

Tips on self-catering:
• Please ensure to wash your hands for 20 seconds with soap or sanitise before preparing your meal;
• After your meal, please ensure you dispose of food and other waste appropriately;
• Please ensure you clear up any spills or mess efficiently;
• Please ensure you clean your own dishes and leave the benches clear and clean for others to use;
• Please ensure you store your food correctly for everyone’s health, safety and wellbeing;
• Label food in your cupboards, fridge and other storage locations if you are not wanting others to use, and don’t take items that are clearly not yours.

Cooking facilities
A large communal kitchen is available for all residents to use. Please clean up the kitchen after yourself and make sure you do your dishes.

A basic kitchen pack of utensils and crockery is provided. Please make sure these stay in the communal kitchen.

Cooking education
Accommodation will organize opportunities for you to hone your cooking skills. Your Senior Resident will promote these throughout your stay. We also have an Accommodation cookbook which contains recipes of tried and tested student-friendly meals.

You can access our Accommodation cookbook here: ebooks.auckland.ac.nz/resident_cookbook/index.html

Bicycles

There is no specific bike storage at the Homestead. However you can store your bike on the veranda area. It is preferred that you discuss this with the Resident Coordinator first.

The University of Auckland assumes no responsibility for your bicycle while it is parked or stored within our properties. We strongly recommend that you insure your bicycle and keep it securely locked with a D lock (chains and padlocks are often insufficient) at all times.

Cars and parking

There is limited space for parking on the island. If you wish to park a car on the vineyard, you should first discuss this with the Winemaker & the Resident Manager.

Confidentiality

Staff and residents of University accommodation endeavour to treat one another with respect and to treat private matters in confidence. There are, however, rare occasions when it may be necessary for staff to contact other concerned outside adults (such as guardians or study abroad agents).

Cleaning and room inspections

You are responsible for cleaning your own room and bathroom and for keeping all lounges, kitchens and common areas as tidy as possible. It is recommended that you clean your room every week to help ensure that the Residence is kept in an acceptable condition and to reduce the likelihood of any possible infestations.

When using communal kitchen facilities including kitchens in shared flats, you are responsible for clearing up and washing your own dishes, wiping down stove tops and benches after use. Please respect communal areas and make sure that it is always left clean and tidy for others.

Cleaners are employed to clean the common areas, hallways, and tidy for others.

Vacuum cleaners

You are responsible for cleaning your own rooms and the House. When you have finished with the vacuum cleaners you are responsible for emptying the vacuum cleaner, and returning it in good working condition. Please do not vacuum up liquids or large objects. If the vacuum is faulty, please let your staff know.

Room inspections

Homestead checks will be conducted twice a year. If your room and/or flat is found to be in an unsatisfactory condition you will be given a specific time period to rectify the problem. If you cannot meet the required standard then your room may be cleaned by the cleaners at your expense.

Cost recovery

There are times when students may cause damage to the building, communal areas and/or furniture, where items from the Hall might be taken and not returned. When situations like these occur, your Resident Manager will lead an investigation for more information. This investigation will include:

- Communication of the damage via email, social media and posters
- A request for anybody to provide information on the damage/taken item
- Checks of all available security and staff information

If after all the above, there is no specific Resident(s) to attribute the cost to, then as per the Residential Rules a communal damage charge will be placed on all in-room Residents’ accounts.

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

If you cause accidental damage to accommodation property then you will be charged a recovery cost for the repairs and/or replacement of the property, as per the Recovery Cost Schedule, up to a maximum value of $1,500 + GST per incident. For a schedule of recovery costs, please refer to the Incident Recharge Costs web page: auckland.ac.nz/en/on-campus/accommodation/university-accommodation/residential-rules-flats-and-apartments/accommodation-fees/incident-recharge-costs0.html

If the person responsible for the damage cannot be identified, the cost will be borne by all the resident students as part of a cost recovery levy. Any damage that is deemed malicious or intentional will be recovered at the full cost of the repairs and/or replacement and the $1,500 cap will not apply.

Civil defence

The University of Auckland has made civil defence preparations that will assist us in managing an emergency such as an earthquake. We expect co-operation from each individual student about these preparations. Students should also take their own personal steps to make sure they are prepared in a civil defence emergency. We encourage students to visit the Civil Defence website getthru.govt.nz for more information and to ensure you have what you need to get through.

Fire evacuations

On the continuous sounding of the fire alarm you are to proceed to the evacuation point in a sensible manner.

The evacuation point is next to the tree beside the tasting room, on the grass.

Before evacuating, you are to make sure that you turn off any appliances you are using that could be a potential hazard.

Residents are to follow all printed evacuation material and staff instructions. If you fail to evacuate the residence you will be required to attend a conduct meeting.

Earthquakes

In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

The location of your emergency evacuation point is: next to the homestead on the lawn away from the buildings.

Accommodation arrangements during a pandemic

If there was a global pandemic, as we saw with H1N1 in 2009 or Covid-19 since 2020, unless otherwise directed accommodation will remain open with strict safety protocols in place. The University will introduce specific policies and rules for the safety of all residents, staff and community members.

In the event of a Pandemic all residents are expected to be prepared and adhere to:

- Ministry of Health Directives and Guidelines
- Instructions from Accommodation and other University staff
- Social Distancing Guidelines and Restrictions
- Sanitising Requirements

Residents must comply with the following:

- Report to on-site staff member confirming their location
- Report any illness that they or a neighbour is currently experiencing
- Abide by best practices and recommendations provided by on-site staff
- Limit movement around buildings and contact with other residents
- Await further instructions from the University, Ministry of Health, Local Council, Central Government and/or emergency services

During a pandemic lockdown Accommodation staff will still support you and most of our engagement offerings will become digital. Staff will still be present in the buildings to safely respond to emergency and welfare situations.

If accommodation does remain safe and open your accommodation fees will still apply unless otherwise specified by the University.

Heating

The Homestead is heated by free standing heaters, while lounges have wall mounted panel heaters, and a heat pump. These are user controlled heaters. We encourage you not to use the heaters during the summer months.

Restricted access areas

Roof access

You are not permitted to be on the roof of the Residence at any time. If you are found to be on the roof, there will be a conduct process initiated.

Commercial areas

You are not permitted in any of the commercial hospitality or vineyard spaces.

Events

The Vineyard is used for commercial events, such as weddings, and it is important for residents not to intrude on these ceremonies/events.

Maintenance

If you notice anything in your room or any other part of the residence that needs repairing please let the Accommodation team know. You can do this by logging a ‘My Maintenance’ request on the Accommodation Portal at accommodation.auckland.ac.nz or by letting one of the team know at Reception. If urgent repairs are required and the Reception is closed please contact the on duty staff member.

- Urgent — Same day
- High — 24 hours
- Routine — 5 work days

Please note that these times are estimates and in some circumstances it may not be possible for repairs to be completed in the above time. This will depend on the complexity of the job, parts available and other factors out of our control. If your request has not been completed in the above time, you can reach out to your Administrator for more information.

Printing

There are no printing facilities located at Goldie Estate Homestead.

Recycling and waste

You will have to work together with housemates to take out the rubbish and recycling. There is a rubbish bin located near the laundry room.

You will have to work with Vineyard staff to sort and take out recycling. The Winemaker & Operations Manager will show you this process when you check in.

Storage

No storage is available at the residence. If you need storage of your belongings after leaving the residence you will need to contact private suppliers.

Water conservation

Water is a precious resource on Waiheke Island. Please be mindful of your water consumption while staying on the island. This is important because we are on tank water, that is filled from rainfall.

There are no vending machines at Goldie Estate Homestead.
Your residential experience and support

The holistic success of our residents and the experience they have while living in here is at the core of what we do in University accommodation. Every Accommodation event or opportunity for engagement in accommodation will have a focus on wellbeing.

Our approach to your hauora and engagement

In University accommodation, your success toolkit is represented as your Waka, with each paddle of the Waka symbolising an area of our accommodation framework. The Waka is a symbol of the University as a means for you to journey forward in pursuit of education.

Our success dimensions (the paddles in your Waka) are:

- **Mind Hinengaro**: Ensuring our academic success, emotional state and finances are balanced, with connection to support readily available.
- **Body Tinana**: Looking after ourselves physically, through an awareness of our body's development and ongoing care, ensuring that we are able to achieve.
- **Environment Whenua**: Reflecting on both our personal and global environment, making sure we are positioning ourselves into a healthy place for success.
- **Spirit Wairua**: Understanding ourselves, our values and feeling connected with our community and what brings us fulfilment.
- **Social Whanaungatanga**: Taking opportunities to form successful relationships, connect with others and build networks and memories with others.

Academic assistance

We endeavour to provide an environment that is conducive to academic excellence and success. If you require academic assistance, please do not hesitate to discuss this with your Accommodation team, who will be able to assist you in making the necessary arrangements.

Accommodation promotes self-motivated learning. You are encouraged to create and join study groups, general or subject focused. The RAs will assist in this wherever possible. Residents must be full-time University of Auckland students. Residents are expected to attend the lectures, tutorials and laboratory sessions for which they are enrolled.

Our Residence engagement programme

We aim to provide a healthy, engaging living and learning environment for you to achieve the amazing. Our Accommodation team will visit the Homestead monthly and work with you to create a specific social programme. Your Resident Coordinator will take the lead on working with you on this.

Your community, your events! – Resident Grant Scheme

This is your community and as such, it is important that you have the option to facilitate opportunities and events that meet your community needs. This is where the Resident Grant Scheme comes in!

The Resident Grant Scheme is an initiative where you as a resident can request event funding and support from your Accommodation team to deliver an event in your accommodation community. You can request funding between orientation week and study week.

How does the Resident Grant Scheme work? The high-level process for the resident grant scheme is:

- You have a fantastic idea for an event and let your Resident Manager or Coordinator know!
- Your Accommodation team will support you in completing an application and letting you know the ways in which we can help;
- All ideas welcome as long as they are reasonable and able to be practically facilitated;
- Events will have to be onsite in accommodation (sadly we are unable to support off-site events due to risk factors);
- The only criteria for events are they need to be:
  - Safe;
  - Inclusive and open to all;
  - Some educational aligned to the Waka of Wellbeing (Mind, Body, Spirit, Environment, Social);
- Submitted on time (at least two weeks before facilitation);
- Accommodation staff will purchase and arrange for supplies, equipment, food, resources, and other items;
- You will host, facilitate and pack up your event;
- You will complete a brief post event reflection that can be used to help future residents maybe facilitate the same or similar event.
Who reviews events?
All events are reviewed by a panel which consists of:
- Your Resident Manager - Chair
- Your Resident Coordinator
- Your Residential Adviary Committee student Representative(s)
- One Resident Adviser from your community
- The Ngā Wharenoho Residential Experience Officer

If you have a great idea or want to know more specifics contact your Resident Manager or Coordinator! We can’t wait to see what special character you add to our community!

We are a community

Flat agreements
We encourage you to work with your flatmates on creating a flat sharing agreement for the year. This will lay out your expectations for each other for the year. Your Resident Coordinator will work with you on this and check in early in the year to see how you and your flat are adjusting.

Caring communities
By living on campus, you are part of a caring and supportive community. This means that we all look out for one another; we support one another and have respect for each other. Your Resident Coordinator will work with you on this and check in early in the year to see how you and your flat are adjusting.

Have you seen any concerning conduct? If you have seen behaviour that is concerning or would constitute misconduct please report this to an Accommodation staff member if you are worried about anyone or you

Have you seen any concerning conduct?

Are you worried or concerned about a fellow resident?

There are times where you might be worried or concerned about a fellow resident, friend or community member. We encourage you to start a conversation. You don’t need to be an expert to reach out – just a good friend and a great listener.

Start a conversation with these four steps:
1. Ask R U OK?
2. Listen
3. Encourage action
4. Check in*

Living together
Learning to live together will be a huge part of your experience! So here are some helpful tips:
- Learn people’s names, it makes them feel special
- Respect people’s personal space, they will do the same for you.
- Clean up after yourself in common areas, a clean environment goes a long way.
- Be mindful when cooking and or preparing food, we all have different tastes.
- Think of others before making a lot of noise, whilst you may have a day off, someone may have an assignment to complete.
- Remember to check in with each other, no one will be upset at you for simply asking “Hey, how are you going today?”

Loneliness and homesickness
Loneliness and homesickness can affect any student during their academic year. By choosing to live in a Residence, you have already chosen one of the more effective strategies to deal with loneliness and to succeed at your studies. However, it can be easy to feel isolated even in a community.

Here are some strategies that may help you overcome loneliness:

- Sit in a common room or lounge, not in your bedroom. Watch some TV, play games or eat in a communal area to take the opportunity to meet others.
- Get involved with organised activities, attend area meetings and look out for flyers or posters that announce events.
- Talk to a member of the Accommodation team if you continue to feel lonely. They may not be able to fix the problem for you but are happy to listen and try and help you to find the answers that will work for you.
- There are also professional counsellors and wellbeing groups on campus who are prepared to help students in a variety of ways.

University zero tolerance policy
The University is committed to protecting the rights and dignity of members of the University community. The University does not tolerate any form of harassment, bullying or discrimination.

The University expects all students and staff to abide by the laws that protect against bullying, harassment and discrimination and to treat each other with respect, courtesy and consideration at all times.

Consent
Whether you are in a long term or casual relationship, you and your partner deserve to be treated with respect.

Consent is a free agreement made together about any sexual situation or experience.

Consent is always agreed to in the moment. Having consented previously doesn’t mean you consent in the future. Being married doesn’t automatically mean there is consent.

Consent is not a contract. You can change your mind. If you are not comfortable with something you have a right for it to stop. It’s OK to say stop.

It isn’t consent if:
- You are drunk or drugged;
- Someone forces, threatens or coerces you anyway - verbally, physically or emotionally.
- You are under 16 years old.

For more information visit auckland.ac.nz/en/students/student-support/personal-support/be-well/healthy-relationships/consent.html

Consent
Family violence – it’s not ok
Family and relationship violence can take many forms including physical, psychological, sexual, financial or spiritual abuse. It can disrupt the ability to study or work and can negatively affect performance, effectiveness, safety and wellbeing. It can also impact colleagues, friends and other members of the University community.

The University is committed to being safe, inclusive and equitable. We affirm that family and relationship violence is unacceptable and that every person is entitled to respect, and to live free from fear and abuse.

See our Family Violence Policy and Family Violence Prevention and Management Guidelines for information about how the University provides reasonable support for students and staff affected by family and relationship violence.

• Apply for any StudyLink support you are entitled to early
• Create a budget for the year with your income and expenses
• Actively monitor and review your spending

Theft and your personal responsibility
Living in a communal environment is great. However, sadly there are times when a guest or fellow resident might make the decision to steal or take items that do not belong to them. The University of Auckland does not take any liability for lost and/or stolen items. We encourage you to take personal responsibility for your items and recommend the following actions are taken to minimize any loss of items:
• Keep your bedroom closed and locked when you are not in it;
• Do not lend your keys and/or campus card to anyone else;
• Do not let anyone you do not know into the building;

Health & safety on campus
The University is committed to providing a safe place to live and study. You are responsible for your own personal safety and making sure you do not put yourself or others at risk. For simple tips and contact details to help you stay safe on campus, visit: auckland.ac.nz/en/health-safety-wellbeing.html

Reporting concerns, accidents, near misses
Your Resident Manager is the designated Health and Safety officer for your Hall. If you see any behaviour that you think is unsafe, witness a near miss or an accident please report it to them. You can also report online any Health and Safety Campus or Hall incident by visiting: auckland.ac.nz/en/health-safety-wellbeing/report-concerns-hazards.html

Healthcare, accidents and first aid
If you are ill, you should report this promptly to a member of the Accommodation team. They will assist you where appropriate, especially if you might need medical attention. It is important to seek assistance for medical conditions before they become too serious, as illness can spread very quickly in a group living situation.

Accidents, injuries and first aid
If you are involved in any form of accident or injury onsite, you must let a member of the Accommodation team know promptly. Each Accommodation staff member has undergone first aid training and, if present, can help with injuries on-site.

After the event you will be required to fill out an incident report, which is forwarded to the University Health and Safety department. This is an Occupational Health and Safety requirement.

If you call an ambulance for any reason, inform a staff member immediately so that they can ensure paramedics have access to the building and can be directed to the right area.

The University of Auckland’s Health and Counselling service is also available to you Monday-Thursday 8:30am - 6:00pm, Friday 8:30am - 4:00pm during the academic year. Summer hours will vary slightly. Please note that students must be registered to use this service so be sure to sign up before you move in.

Outside of these hours, for 24-hour help, residents are advised to visit:
• Call Healthline
• Head to Waiheke Medical Centre or call them on (09) 372 3111

First aid kits
Every Resident Adviser has a first aid kit in their bedrooms for emergencies.

Healthcare
If you’re feeling unwell, let your Accommodation team know so that we can keep an eye on you and give you any assistance you might need. Te Papa Manaaki | Campus Care

The team works with students to better understand their concerns and needs, streamlining interactions with campus services, and developing a plan that works in the best interests of each individual.

Students are assigned a single case manager or mental health case manager (dependent on your particular circumstances) who remains in contact and guides them through internal and external services that can support their needs. Students can be referred by others or reach out directly to seek advice.

Sustainable living

We are committed to being a sustainable campus and supporting you in being environmentally friendly. Accommodation has worked hard over the years to ensure our buildings are as efficient as possible, and you have a living environment that supports responsible environmental and sustainable practices. This requires everyone to work in partnership, so we need your help.

Sustainability tips:
Below are some tips on how you can work with us to be environmentally responsible.

**Sustainable study:**
- Think before you print, and print only if it is essential
- Use electronic rather than paper-based filing systems for all projects
- Design documents to minimise paper use by reducing the size of the margins
- Collect single-sided paper and re-use it for notes and drafts
- Use double-sided printing and photocopying modes wherever possible
- Recycle paper that has been used on both sides

**Conserve energy:**
- Turn off the lights that aren’t needed in your room and flat, especially when you leave
- Turn off computer screens that are not in use, make sure that energy-saving modes are operating on all types of electronic equipment.
- Make sure appliances (such as TVs) are turned off when not in use

**Save water:**
- Use a cold water wash cycle whenever possible.
- Try showering for four minutes or less
- Put in the plug in the sink when you want to rinse something.
- Turn the tap off when you are soaping your hands.
- Turn the tap off when you brush your teeth
- Make sure you do full loads of laundry in the washing machine
- If there is a leaky tap - tell an Accommodation staff member who will organise for maintenance to fix it.

**Transport & and reducing your carbon footprint:**
- You’re living on campus! Take the opportunity to get some exercise by walking, jogging or cycling to and from the university.
- Support public transport by catching a bus, train or ferry, wherever possible.
- If you have no choice but to use a car try sharing a ride with friends and family
- Take part in tree planting activities - get a group of friends together and set up your own group or join an existing one to help plant and nurture native plants

**Reduce your waste sent to the landfill:**
- Think before you buy, use or waste and re-use whatever you can, avoid unnecessary consumption.
- Choose products that are more durable, have recyclable or compostable packaging, and have fewer environmental impacts
- Think about your everyday habits, can you carry with you a keep cup, drink bottle or other reusable item?
- Can you carry reusable shopping bags with you?
- Choose products with minimal, recyclable packaging.
- Avoid highly packaged foods and beverages.
- Avoid replacing products that are still functional
- Repair, rather than replace, repairable items
- Reduce your food waste, compost where you can and don’t make or purchase more than you can finish
- Ensure you recycle effectively – do not contaminate the recycling bins with incorrect items

If you have other tips and tricks, please let your Accommodation team know, otherwise you can learn more about what the University is doing on our website: auckland.ac.nz/en/about-us/about-the-university/the-university/sustainability-and-environment.html

**United Nations Sustainable Development Goals**
The University of Auckland supports the United Nation Sustainable Development Goals (SDGs). Throughout the year Accommodation and the wider university will be providing further information and programmes on how you can support and get involved with the SDGs. This is in conjunction with our Waka of Wellbeing framework. If you would like to get involved and organize opportunities for your fellow Residents to learn more about the SDGs please let your Resident Coordinator know or the Residential Experience Officer.

Recreation on Waiheke Island

Waiheke is a blend of beaches and coastal landscapes, large areas of native bush, rural landscape and small urban villages. The natural features of the landscape play a major role in creating Waiheke’s unique character and sense of place.

From action-packed water sports to peaceful gardens and galleries, Waiheke Island has a full range of activities on offer. Enjoy a sailing experience or a bike ride around the island, get close to nature with a kayak trip or scenic walk and during the summer months there are plenty of beaches to choose from.

For information and ideas check out waiheke.co.nz or visit the i-SITE Visitor Information Centre in Oneroa.

Eateries in Auckland

Since Waiheke is home to some of New Zealand’s best vineyards, it’s no surprise that there are some excellent dining options available. The Goldie Homestead is located only a short bus ride away from Oneroa and Onetangi, which are both home to several cafes and restaurants.

Located within walking distance from the Goldie Homestead, Surfside and Ostend has a few small retail shops and takeaway options.

Keep an eye on the Auckland Council website, aucklandcity.govt.nz, for seasonal events such as the Night Noodle Markets, Art Week and other festivals. There are also plenty of food, arts and crafts markets on most weekends scattered around the wider Auckland region (if you want to go exploring on your weekends)! The tourism ‘1-site’ near the Viaduct can provide you with brochures and local recommendations. Alternatively you can check out the Auckland Tourism page for inspiration: aucklandnz.com/visit

Essential safety advice

- Make it a habit to lock your door whenever you’re out of your room.
- If you are walking home at night, go in a group and keep to well-lit streets or consider taking a taxi.
- Register your phone with the operator and if it is stolen ask them to ban the SIM card immediately.
- Take care when using ATM machines late at night. Do not walk away from the machine carrying your cash in full view.
- If your credit and cash cards are stolen, inform the card provider immediately. Do not wait until you get home.
- Never write your PIN down.
- Do not carry large amounts of cash on your person, or store large amounts in your room.
Places of worship
There are several places to worship on Waiheke if you are religious. For more information and contact details, visit [neighbourhour.co.nz/business/list/churches/auckland-region/waiheke-island](neighbourhour.co.nz/business/list/churches/auckland-region/waiheke-island).

Shopping in Auckland
Grocery shopping
Waiheke Island has all your basic grocery shopping requirements. Here is a list of what is available on the Island:

- Four Square, Ocean View Road, Oneroa
- Miami Pricecutter, Miami Avenue, Surlfide
- Ostend Pricecutter, Ostend Road, Ostend
- Countdown Supermarket, Ostend Road
- Village Butchery, Ocean View Road, Oneroa
- Island Grocer, Ocean View Road, Oneroa
- Surlfide Vege Shop, Miami Avenue, Surlfide
- RAW Fruit Vege Market, Putiki Road, Ostend

Retail shopping
Because of the seasonal nature of the Islands population, there are limited retail shopping opportunities. For your basic needs, there are appliance retailers, laundromat and a hardware store, details below:

- Waiheke Island appliance retailers: Appliance Plus Waiheke Living, Ostend Road, Ostend
- Waiheke Island laundry: Waiheke Laundry and Dry Cleaners, Belgium Street, Ostend
- Waiheke Island hardware: PlaceMakers Building Supplies, Ostend Road, Ostend

For a larger variety of retail stores, including clothing and footwear stores, you will need to make a trip to Auckland.

Auckland has a wide variety of shopping centres and stores to satisfy all your retail therapy needs. Within walking of the Ferry Building, is the newly developed Commercial Bay precinct, which has a range of stores that stock both basics and luxury garments. Newmarket is just a short bus or train ride away and also offers a wide range of retail shops in addition to rooftop dining options.

Other major shopping centres within bus or train distance include Sylvia Park and Westfield Malls in Newmarket and St. Lukes. These offer a huge range of stores, from specialist goods to essentials such as The Warehouse and Kmart. Normal business hours in New Zealand are 9am - 5:30pm Monday to Friday. Most shops are also open over the weekends.

You will need to carry around your passport or other forms of legal ID as proof of age if you want to enter bars or buy alcohol. Alternatively (and a lot more safely), you can also get 18 + ID cards by applying through the Post Office. They cost $20 and you will need to get your signature witnessed by a justice of the Peace.

Transport
Public transport is managed by Auckland Transport, an Auckland Council controlled organisation. Train, bus and ferry services are called AT Metro. AT Metro train and bus services depart from Britomart Transportation Station and Bus Terminal, located on the corner of Customs Road and Queen Street Downtown.

Fullers operates regular bus services on Waiheke Island providing transport to the island's key locations. Buses are scheduled to meet most Auckland ferries arriving and departing Matiatia Wharf. Great value all day bus passes are available on the bus or when you purchase your ferry ticket at any Fullers ticket office. Timetable information can be found on [fullers.co.nz](fullers.co.nz) or [AT.govt.nz](AT.govt.nz).

The Homestead is within biking distance of many stores and shops on the Island. Otherwise there are limited bus services.

If you would prefer taxi shuttle transport, you can use Waiheke executive transport. They can personally meet and transfer you to your chosen destination on the Island. They have a modern fleet of reliable vehicles that can accommodate individuals or groups.

Phone: 0800 372 200 [waiheketransport.co.nz](waiheketransport.co.nz)

If you want to travel to see the Area Manager, Administrator or Resident Coordinator on the Grafton Campus, you can take the Inner-Link Green Bus from Britomart up to the City Hospital stop.

Public e-bicycle and e-scooter sharing services are very popular and used widely around Central Auckland. If you choose to use these services please follow all health and safety guidelines outlined in the app and ensure that you leave any bikes or scooters outside of Accommodation property so that they remain accessible to non-residents using the service. Only registered, personal bicycles and scooters can be stored in Accommodation designated bicycle storage areas. At no time can battery operated transport be inside any University buildings as this poses a safety and security risk.

Residential conduct process

Introduction
Members of the University’s Residential Community are responsible for their own actions as well as the actions of their guests. It is the expectation of the University that each resident will respect all other residents and their property and the residential environment. However, some members of the community may, either by error or intent, violate community standards or push test boundaries. As these situations occur it will be necessary to hold these members accountable for their actions. It is the intent of the University to approach these violations from an educational perspective, when appropriate. However, other sanctions or requirements may be necessary to ensure that the Residential Community continues to be a positive and supportive community, conducive to growth and academic achievement. It is the responsibility of each student to be aware of Residential Rules and expectations the University has for residents.

Conduct process steps
Residents who violate Residential Rules will be subject to a conduct process. The Resident conduct process typically occurs as follows:

1. Incident report or formal complaint
   Incident reports regarding alleged violations of the Residential Rules are submitted by staff members. Any community member may report an incident by submitting a written account of the incident to an Accommodation staff member.

2. Investigation and request for information
   The Resident Manager or Resident Coordinator review the report. After the review, staff will either close the case with no action deemed necessary or conclude that a potential violation may have occurred and a conduct meeting or request for more information is necessary.

3. Conduct meeting
   If a conduct meeting is necessary, any one of the following may occur:
   - The Resident Manager or Resident Coordinator will manage the meeting and process
   - Cases involving allegations or serious violations or continued repeated offenses may be referred up to the Head of Operations - Accommodation and/or the Associate Director (Accommodation), Campus Life
   - Cases may be reported to the University Proctor
   - Cases may be also heard by the University Student Discipline committee, if deemed appropriate by the Associate Director (Accommodation), Campus Life

   The appropriate conduct meeting forum is determined by a member of the Accommodation management team.

   The Resident will receive notice via email through the student’s preferred email listed in SSO or phone call to their listed cell phone. Notices include information about who will be present at the meeting, a brief outline of the incident, and the date, time and location of the meeting. If a Resident chooses not to attend the meeting, the designated manager will review all of the available information in their absence and determine a response in conjunction with the Head of Operations - Accommodation.

   Attendance is important at these meetings, therefore if a Resident cannot attend due to an academic conflict or other significant engagement then they will need to reschedule as soon as possible with the relevant manager.

   The conduct meeting will serve as an opportunity for the Resident to share their perspective of the incident and any other relevant information and for staff to engage in a conversation about appropriate community living here at the University of Auckland.

   During the conduct meeting the manager will introduce the situation, outlining the incident, why a conduct meeting has been called and the relevant Residential Rules that have been broken and asking for the resident’s version of events. The resident is welcome to bring a support person and/or residents that may have been involved in the incident in question but not noted on the report.

   After the meeting the manager will go away and think about the evidence given and then make a judgement. The resident will be invited back to hear the decided outcome of the incident and any sanctions that may be issued.

Sanctions
Sanctions that may be issued at the Residence level by a Resident Coordinator include:

- Written warning
- Community Service
- Monetary fines or donation to an approved charity up to $200
- Alcohol / Drug education
- Counselling and/or health services evaluation
- Educational project
- Cost recovery
- Behaviour agreements

Sanctions that may be issued at the Residence level by a Resident Manager include those of the Resident Coordinator, with the addition of:

- Transfer to another University operated or affiliated Residence
- Exclusion from the Residence
- Recommendation for eviction from the Residence to the Associate Director - Accommodation
- Monetary fines or donation to an approved charity up to $1500
- Referral to the Associate Director – Accommodation

Sanctions that may be issued at the Residence level by the Head of Operations - Accommodation include those of the Head of Operations - Accommodation, with the addition of:

- Immediate emergency eviction from University accommodation
- Eviction from University accommodation
- Trespass Orders for University accommodation
- Referral to the University disciplinary committee managed by the Proctor

The Head of Operations - Accommodation has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).
Appeal of decisions

A Resident can appeal the outcome of a conduct meeting. However, students wanting to appeal an outcome are encouraged to first speak with the deciding Manager. If a student wishes to have an appeal they must contact the Associate Director (Accommodation) Campus Life in writing within five days of receiving the notification.

Residents may appeal based on one of the following:
- Lack of due process followed
- The severity of the sanction
- New and substantial information, not available at the time of original conduct meeting which is now available

The Associate Director (Accommodation) will review the information and the process undertaken and give a final decision. Where the sanction involves a decision made by the Associate Director (Accommodation) the Director of Campus Life or their nominee will undertake the appeal review.

(Note: In this clause ‘party’ includes any resident who in any way aids, assists, counsels, procures or encourages another to commit an offence under these rules.)
