

Our policy regarding: REPEAT PRESCRIPTIONS

DO I NEED TO SEE THE DOCTOR?

- Repeat prescriptions without the need to see your doctor are available to enrolled patients with certain stable conditions.
- A previous visit to prescribe the medication at this Health Centre is required and repeat prescriptions without seeing the doctor should have been discussed and recorded in your medical records.
- You will still need to see your doctor at regular intervals for monitoring to review your progress

HOW DO I REQUEST A REPEAT PRESCRIPTION?

- You can visit or contact the Health Centre by phone (09 923 7681) / fax/email uhcnsurse@auckland.ac.nz.
- All requests for repeat prescriptions will be handled by the practice nurse who will get in touch with you if there are any questions or concerns about your request.
