

Kia ora

We hope you had a great Orientation Week and feel ready to start your first week of classes. If you missed your faculty session or feel like you need a refresher, you can [access session recordings on the website](#).

We enjoyed welcoming you, whether you joined us virtually or on-campus for our orientation activities. If you missed out, [you can still sign up](#) as the popular Campus Tour Challenge will be repeated at the start of Semester One!

Learning will be online but our campuses are open, which means you can explore the different spaces at your own pace, find your favourite spots and check out all the social events taking place.

With Covid-19 cases rising, please remember to self-monitor for symptoms, do not come to campus if you are experiencing any Covid-like symptoms, and if you test positive for Covid-19 or are self-isolating [please notify the University](#).

What's On at the University

Events and activities at Uni are a great way to connect with other students, explore what interests you and have a holistic experience while completing your studies.

Keep up to date with what's happening at the University of Auckland with What's On, your online hub for events at the Uni.

[Find out What's On](#)

Clubs Week

Clubs Week is now on until Friday 4 March. You can chat with your favourite clubs online and then head to City Campus to see them perform on stage. With over 200 clubs at the University, there's something for everyone!

Be in to win with the Centre for Innovation and Entrepreneurship (CIE)

The Centre for Innovation and Entrepreneurship offers FREE programmes, events, workshops and resources through the innovation hub and maker space to all students and staff of the University of Auckland, no matter what they are studying or what their goals are.

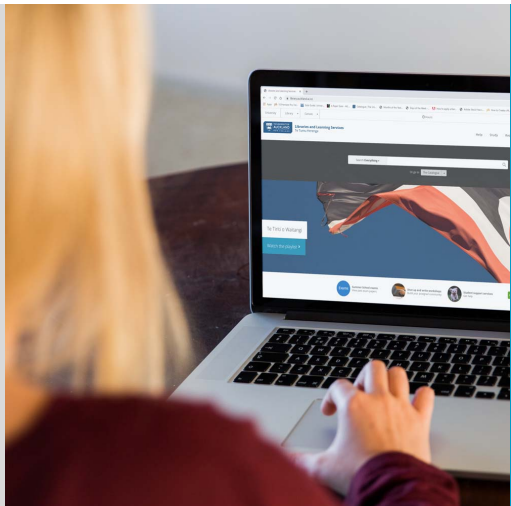

CIE is giving away some exciting prizes including an e-scooter or Oculus Quest, and coffee cards to help you get through long days as you work on your exciting new venture. Check out all the details and enter today.

Be in to win an e-scooter or Oculus Quest

Let us shout you a coffee

Things to do this week

- Get your [AT concession card](#)
- Enrol at [University Health and Counselling](#)
- Check out the [Sport and Rec Centre](#)
- Get started at your [library](#). You can start borrowing as soon as you have your Campus Card.
- Check out our [top ten tips](#) to nail your first week of classes

Get your course readings

If you are an overseas student, or are stuck at home, you can request book chapters and journal articles to be scanned and sent to you through our Libraries and Learning Services.

[Find out how](#)

Enhance your academic skills

Get a head start on your learning and enrol in a workshop to help you excel this semester, including our leadership development programme for Māori and Pacific students – you can attend online or in-person!

[Book now](#)

Get a helping hand

If you're working on an assessment and want to get better at finding resources, writing or referencing, the friendly staff at the library are here to help.

[Ask us](#)

Get help from our Learning Advisers

A team of Learning Advisers who support students with learning disabilities, English as additional language needs, and Māori and Pacific students, are available. If you are in need of extra support, don't hesitate to reach out!

Free to be you at University

University is an exciting time for personal as well as academic growth. Here at the University of Auckland, we work hard to provide a safe place for you to explore what makes you unique. This means that any form of discrimination – racism, sexism, ableism, ageism, homophobia and transphobia – has no place on any of our campuses.

Do one easy thing for your career development

Jump into the Career Development and Employability Service (CDES) online platform MyCDES+ and take the MyCareer Check employability quiz. It will give you some pointers to help you as you begin your studies.

[Take the quiz](#)

Take yourself global

Participate in a learning abroad programme with 360 International, offering New Zealand's largest exchange programme, short term programmes including summer and winter schools, global internships, and international virtual opportunities. The first General Information Session of the semester will take place on Thursday 3 March from 12-1pm. Join online to find out how you can make the most of your time at University. It's never too early to start planning!
