

Stay connected online this semester

Kia ora Amelia,

We're looking forward to finishing off Semester Two with you online. We're sad that campus is going to look a bit different for the remainder of the semester, as [learning and teaching has moved online](#) and we don't yet know how we'll progress with alert levels in Auckland. But that doesn't mean we still can't connect and have some fun to see out the year!

For the rest of the semester, we'll continue to send you emails about support services available to you, as well as highlight virtual events, general news and competitions. Kia kaha.
